Checklist of Requirements for Diving Certification at OIMB

Richard Emlet, OIMB Dive Manager
(541) 888-2581

1) Complete an application for certification

2) Copy of a nationally recognized diving certificate (e.g. PADI, NAUI, NASDS)

3) Attach a summary of dives completed. If this list is long, provide a brief description of your diving experience and a copy of the last few pages of your dive log.

4) Copy of current CPR certification card (annual)

5) Copy of Diving Medical Examination signed by doctor, along with a signed release to allow use of the medical information by Diving Safety Officer, OIMB Dive Manager, and Diving Control Board (see pages 35-39 in Section 7 of the OIMB SCIENTIFIC DIVING STANDARDS and any other written documentation provided by the physician).

6) Signed Release and Waiver Form

7) Pass a written examination

8) Complete an open water checkout dive with the Diving Safety Officer

9) Provide proof of annual inspection/servicing of regulator by certified company.
